How I would like to have a shop in the town of Struga. Hurry young Kalino, in the town of Struga.  
 To sit by the door and watch the young girls go by. Hurry young Kalino, and watch the young girls go by.  
 As they go to fetch water with their colorful jugs. Hurry young Kalino, with their colorful jugs.  
 And meet with their friends at the well. Hurry young Kalino, and meet with their friends at the well.
